## **Our Content Preferences**

Write about anything related to creativity, curiosity or connection. At Project Synergy, we value pieces that have a personal meaning, so feel free to tell your story too.

## **Submission Requirements**

The maximum length for an article is 1,500 words. If you are also including images, a selection of 10 photographs (in .jpeg or .png format) weighing no more than 500KB is the maximum, and for audiovisual pieces the length should be no longer than 15 minutes.

If you are including work that is not your own, be sure to properly cite your sources according to Chicago guidelines, 17th edition (CMOS). If you are unfamiliar with these, [click here for more information](#).

## **Submission**

In the form of an email with an attached **Google Drive File**, send your finished article through [projectsynergyinternational@gmail.com](mailto:projectsynergyinternational@gmail.com). Title the email's subject "Submission - Name & Surname" (e.g. "Submission - Ximena Palacios"). If you have attached images, include them.

## **Good Luck!**

Expect to hear back from us within 7 days of your submission. If your piece is chosen, then the talent scout team will assign an editor to you so you can prepare your piece for publishing.

## **Additional Information**

In the case that your piece is chosen, we will need a short description of you (max. 100 words). This information will help us market your piece on social media. Some ideas for your description: where are you from? What are your hobbies? etc.
